

NQUTHU MUNICIPALITY TARIFF OF CHARGE 2014/2015

FACTORS AFFECTING THE TARIFFS FOR THE BUDGET YEAR.

- 1) The municipality in preparation of its tariffs has taken CPI, inflation forecast (5.4%) into consideration.
- 2) Other charges are regulated i.e. electricity. NERSA has determined annual guideline increase of 5.4% to 8.20% by municipalities.
- 3) Other charges are too related to petrol prices and repairs & maintenance e.g. refuse removal.
- 4) The budget circular from National Treasury indicates that we must increase our tariffs cautiously paying attention to the global economy, financial sustainability and affordability of services.
